Miscellaneous Services and Applicable Fees

Need Custom Artwork or a Logo?

If you need a custom logo or just want someone else to completely design your artwork, we highly suggest using 99designs.com. You'll receive award winning designs submitted to you from up to 90 talented designers and you pick your favorite. Tim Ferriss (author of the 4 Hour Work Week) swears by them and uses them for everything. Our customers love them too!

Vector Artwork Conversion

If you need your artwork converted to Vector art (vector is required for our print work) there is a \$60 fee to have our team make those modifications.

High Resolution Conversion

If your artwork's resolution is too low and you need us to recreate your artwork in high resolution there is a \$150 minimum charge. Complex projects are subject to additional fees.

Set-up Fees

Basic set-up on all custom products is \$85. This includes proofs, set-ups, touch-up etc.

Foil Hot Stamping & Die-Embossing

Either feature costs \$60 extra per thousand. There is also a \$225 set-up fee for the plate. Your plate can be reused on all future orders if your design doesn't change.
